

2017 KICF ANNUAL REPORT

KICF Recognition Scholarship

In 1995, KICF established a scholarship to honor and recognize the donors who have given to KICF for forty or more years.

KILEY VARNEY

Bethel College

Class of 2018

Major: Biology

GPA: 4.0

“Reflecting on my time at Bethel, I have come to notice one especially big difference between my experience and the experience of students at larger state schools. That difference is the number of things I have been able to be involved in and excel in. At a state school I know I would have been limited in opportunities to be involved. At Bethel, though, I felt the opposite. I feel so enriched by my diverse experiences at Bethel and the unforgettable relationships I have been able to build along the way.”

President’s Message

KICF has been serving the Kansas’ independent, accredited, non-profit colleges and universities since 1952. The Fund was created in that year to encourage and facilitate financial support from corporations, small businesses and individuals for the missions of our member colleges.

The 2016-17 school year again added to this remarkable legacy of generous support as KICF received and distributed to our colleges nearly \$80,000—in the form of unrestricted support for all 19 colleges’ programs—and in the form of support targeted to specific programs and institutions that match donors’ special interests.

I join with the more than 24,000 students and 4,400 faculty and staff of these colleges in thanking you for your support.

Your support also helps the state of Kansas. According to the economic research company EMSI, Kansas’ non-profit colleges and generate more than \$980 million in income for the state each year, in large part because of the skills and character traits with which our students graduate.

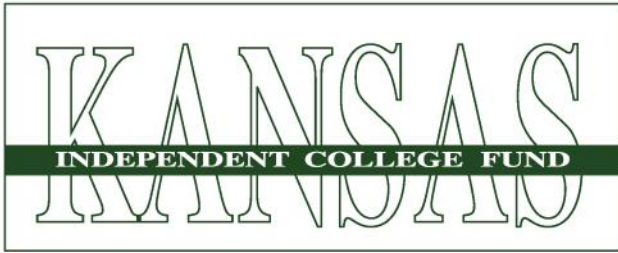

Sincerely,

Matt Lindsey
KICF President
