

2019 Kansas Independent College Foundation Annual Report

President's Message

KICF has been serving the Kansas' independent, accredited, non-profit colleges and universities since 1952. The Foundation was created in that year to encourage and facilitate financial support from corporations, small businesses and individuals for the missions of our member colleges.

The 2018-19 school year again added to this remarkable legacy of generous support as KICF received and distributed to our colleges over \$60,000. These funds took the form of unrestricted support for all 20 colleges' programs as well as support targeted to specific programs and institutions that match donors' special interests.

I join with nearly 25,000 students and 4,400 faculty and staff of these colleges in thanking you for your support.

Your support also helps the state of Kansas. According to the economic research company EMSI, Kansas' non-profit colleges and generate more than \$980 million in income for the state each year, in large part because of the skills and character traits with which our students graduate.

Sincerely,

Matt Lindsey
KICF President

Description & Purpose

The Kansas Independent College Foundation develops, promotes, and directs unified approaches to selected corporations, foundations, and individuals for financial support of Kansas' independent colleges and universities, to strengthen the ability of those institutions to attract charitable support for their missions and programs. KICF also develops and implements approaches to leverage the collective assets and purchase power of Kansas' independent colleges and universities to achieve operational cost savings for the individual institutions.

Located in Topeka, KS, KICF is a 501(c)(3) not for profit-organization.

KICF Maud Wyatt Recognition Scholarship

The Kansas Independent College Foundation, on behalf of its 20 member institutions, is proud to announce the 2019 Maud Wyatt Recognition Scholars. This scholarship, established in 1995 honors the generosity of Maud Wyatt whose bequest has supported the work of KICF and its institutions since 1961. Ms. Wyatt's commitment to private college education enabled us to establish a scholarship recognizing students who exhibit that same commitment to the value of a private college education in Kansas. The Foundation awarded 19 individual scholarships in 2019.
